OFFICIAL RULES & SCORING

Can you predict the perfect pour? This March, we're putting a Willamette Valley twist on the classic 64-team bracket. Your goal: Correctly guess which wineries Dr. Phil Devasto selected to advance in his personal master bracket.

1. How to Enter

One Bracket Per Person: Limit one entry per patient.

Submission Deadline: All brackets must be submitted by March 31st.

How to Turn It In: Drop your completed bracket off at the front desk send a scan/clear photo to admin@modernchiroclinic.com.

2. Scoring System

Points are awarded for each correct "matchup" you guess correctly. As the tournament progresses, the points per correct pick increase:

Round of 64: 1 point per correct pick

Round of 32: 2 points per correct pick

Sweet 16: 4 points per correct pick

Elite 8: 8 points per correct pick

Final Four: 16 points per correct pick

Championship: 32 points for the correct winner

Dr. Devasto holds a WSET Level 2 Award in Wines, so his picks aren't random! When filling out your bracket, keep in mind he has a strong preference for bright red fruit and elegant Pinot Noirs and enjoys minimally oaked, crisp Chardonnays. He's known to frequent Dundee Hills and Yamhill-Carlton AVA's.

3. The Prizes

We will tally the scores and announce the top three "Wine Experts" on April 2nd.

1st Place: Premium Willamette Valley Wine Prize Pack

2nd Place: Curated Bottle from the "Lesser Known Gems" Category

3rd Place: Local Favorite Bottle

Tie-Breaker: In the event of a points tie, the person who correctly guessed the Final Four teams most accurately will win. If still tied, a random drawing between the tied participants will determine the winner.

Good luck, and may the best palate win!
